SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

This letter and the attached form PTO/SB/08a are submitted after the issuance of an Official Action and before Allowance of the present application. In addition to fees paid at the time of filing this Statement, the Commissioner is authorized to charge Deposit Account No. 50-4939 in the event that any fees are deemed as due in this application, or to credit any overpayment.

A copy of US Patent Documents disclosed in this IDS are not submitted with the IDS, in keeping with USPTO direction to not submit copies of published US patent documents. Information submitted in this IDS is not meant to indicate that a search has been made, or that any given document is prior art in the context of the present invention.

US Patents 1-10 and Non-Patent Literature Documents 1-5 were disclosed in an Information Disclosure Statement in US Application No. 09/890,335 ("the '335 application"), indicated as a copending application at page 1 of the present application, on April 26, 2010. Non-Patent Literature Documents 6-9 provide English language versions of 4 documents previously provided only in the German language. Non-Patent Literature Document 10 discloses recent information in U.S. Application No. 11/545,904; as information relating to this application was previously referred to in an Information Disclosure Statement in this application, continuing information is provided herein. Non-Patent Literature Document 11 discloses recent communications in the '335 application, referred to as a

copending application at page 1 of the present application. Non-Patent Literature Document 12 includes a copy of all Information Disclosure Statements submitted in the '335 application.

Information disclosed herein and throughout prosecution of this application is believed to be complete and within the meaning of the duty to disclose information and the duty of good faith and candor imposed by the USPTO. In view of recent Federal Circuit caselaw, Applicant notes that no information that should be submitted in compliance with these duties has been intentionally omitted from this letter or from the accompanying Information Disclosure Statements and documents attached thereto. In the event that any material, non-cumulative information is deemed missing, it is noted that such omission was made without any intent to withhold information from the USPTO. General comments made in the IDS filed July 12, 2010 are also meant to apply herein.

Respectfully submitted,

Valerie Neymeyer-Tynkov
